

Yeah! Yes!

Can you feel it?

Can you see it?

Can you touch it?

Can you hold it?

Brothers, and Sisters, Warriors of light!

What do you see when you look into the eyes of the scriptures?

What do you see when you look into the eyes of the spirit in prayers?

That flicker, that yearning,

that unquenchable flame within you.

Do you remember those days?

Those desert experiences? Those prayer walks?

When the spirit felt thin, and the answers were locked?

When the heavens seemed like brass, and the breakthrough delayed?

When the enemy whispered, and your faith felt afraid?

Do you know this valley?

Have you walked on these paths?

Where the soul cried out, through joy and through pain.

But tonight!...

A shift, a stirring, a shaking, a hunger, a passion, a fire, a holy desire...

Tonight, we are not just talking.
Tonight, We are not just listening.
Tonight, we are breathing Elohim
Tonight, We Quavah
Tonight we press with tears and might,
Tonight, We chase after Him
Tonight, we break our alabaster box,
Tonight, we pour out our lives, our hearts, our all...

And suddenly!...it happened.
A crack in the ceiling, a rupture, a tear,
A sound like the rushing of a mighty great wind!
A glimpse of the glory,
A taste of the grace,
An exceeding great door was opened unto us

Can you feel it?
Can you see it?
Can you touch it?
Can you hold it?
It's the PORTAL!
Not built by man, but by faith,
It's the anointing,
The outpouring of the Spirit
No longer confined by the limits we knew,

The veil has been torn,
and He's calling to you! Yes you!
To ascend! Yes, ASCEND! To the realms of higher glory,
Where the angels bow, and the seraphim cry!
Where the elders cast their crown and holy they cry!

Here, We have pushed past the flesh,
Here he has broken the chains,
Here our spirits are soaring,
Here We are touching the throne,
Here we are full of light,
Here We are walking in power
Here We are seated with Christ, in the heavenly place,
far above principalities and powers

The portal is open!
Don't hesitate, don't delay!
Jump in with boldness!
This is the moment, the Kairos
Let your soul rise!
Let your spirit take flight!
Yes! Hallelujah! We're going up! We're going up!
To the higher realms of God!
