HOW TO HAVE A RICH, ENDURING AND POWERFUL FELLOWSHIP WITH THE HOLY SPIRIT

We are often told and counseled to fellowship with the Holy Spirit; we are told that fellowshiping with the Holy Spirit would immensely change our lives and make tremendous spiritual power and anointing available to us for service, ministry, victory and prosperity in life.

The question is:

**"How do we fellowship with
the Holy Spirit; what forms the
content of that fellowship?"**

This is where many are clueless or lost.

For many, fellowship is all about saying "Holy Spirit, I love you and I worship you", while for others it is about saying "Holy Spirit give me power" or "Holy Spirit manifest your power". This is where fellowship ends for many.

The bible says:

**"The grace of the Lord Jesus Christ,
and the love of God, and the com-
munion of the Holy Ghost, be with
you all. Amen." - 2 Corinthians
13:14**

This is talking about enduring and real communion – relationship.

Relationship is built and sustained by content. Content forms the basis of every relationship.

Without relationship content there can be no fellowship, communion and/or union.

The content of a relationship is built on understanding because without understanding of a person there can be no true union.

This book therefore was written to provide you with content for fellowship with the Holy Spirit geared towards developing a durable, powerful and fulfilling relationship with Him. The prayers used in this book are based on scriptures that inform us and help us to understand who the Holy Spirit is.

As you fellowship with the Holy Spirit using the prayers in this book, you would become increasing aware of who He is. You would know and experience the reality and the tangibility of His presence and power in you and with you. You would also become increasingly conscious of just how powerful you are as a result of His presence and power in you and upon you. You would never be afraid – your work, life and ministry would be easy and delightful because you have come to know Him and understand how to fellowship with Him for results.

YOU CAN ACHIEVE A LOT WITH 20 MINUTES IN FELLOWSHIP WITH THE HOLY SPIRIT

We live in a very busy-fast paced society and are always in a hurry to leave the house to our work place, business or to get some things done.

The urgency in our daily lives to leave the house often robs us of fellowship with God. Sometimes we are saddled with so much that we may not have enough room for God. So much time is devoted to things, and yet less is achieved. The dilemma in this is that we get increasingly frustrated at our quality of life and all that we have not yet achieved.

We also discover that mistakes and errors that could have been avoided are committed freely and stress sets in. Our health may also be dwindling and bills are piling up; fear of what tomorrow holds becomes a major source of concern.

Many folks have been racing for years trying to make ends meet; trying to succeed in life and the more they try, the less they get out of their efforts.

The issues of life are always weighty, but God has given us someone – a member of the God-head called the Holy Spirit to help us.

The Holy Spirit represents all that we desire and need in life.

The Holy Spirit is the Spirit of God; He is life, health, favour, prosperity, comfort, power, grace and source of all divine goodness to those who know Him and avail themselves through fellowship of His divine goodness.

Yes, you are very busy; but I can assure you with a guaranty that if you dare to spend 20 minutes; not one hour – but 20 minutes of your time each day with Him in prayer and fellowship, you will experience all of life's goodness and more.

You can achieve a lot each day in your life by fellowshiping with the Holy Spirit. A life of prosperity, grace and favour is given to you. You would also begin to be steadily guided and instructed in the way you should go that leads to safety, success and prosperity. His presence with you would become real and tangible; and all that makes for a good living is released to you.

Just 20 minutes can change your life forever.

This book is therefore a call and an encouragement to you to make out time to spend just 20 minutes in fellowship for a life of greatness, joy, prosperity, victory and favours.
